NORTH DANVILLE.

Death of Henry Stanton—Town and Personal News.

(Alice P. Massey, Correspondent.)

The town was greatly shocked to learn of the death of Henry Stanton, Wednesday noon, Oct. 4, who underwent a serious operation at Brightlook hospital Tuesday evening from which he never rallied. Henry Stanton was born Jan. 11, 1846, at North Danville and spent practically all his life here. He married Maria Drew Dec. 31, 1874, who died some years later. Two children were born to them. One died in infancy and the other lived until after her marriage.

For the past year he has made his home with George Drew, in whose family he will be greatly missed. Mr. Stanton was a man who knew what trouble was, and could sympathize with those in trouble. Always smiling and good natured, a person that enjoyed living and seeing others live.

The funeral was held Friday from the home of George Drew. The Rev. G. A. Martin of St. Johnsbury officiated. He was a member of the Grange and of the Jr. O. U. A. M., who attended the body. Interment was in the Kelsey cemetery.

The remains of Frank Hubbard of East Hardwick were brought here Wednesday for burial. The funeral was held here Thursday from the home of his sister, Mrs. Wm. Robinson. He was the second son of Daniel W. and Mary J. Hubbard, and was born Nov. 5, 1877. In 1907 he married Jennie King of Woodbury. One daughter was born to them, Beatrice, aged four years. He went to Hardwick about 15 years ago. The last four years he has been in very poor health. Besides his wife and daughter he leaves one sister, Mrs. William Robinson, three brothers, Charles of Hardwick, Rufus of this place, and Mark of Gardner, Mass. The Rev. Mr. Bergen of Lyndonville officiated. Interment was at the Massey cemetery. Those from out of town to attend the funeral were Smith Emerson of Passumpsic, Mark Hubbard of Gardner, Mass., and Mr. and Mrs. Charles Hubbard of Hardwick.

The funeral was held from her late home Saturday afternoon. The Rev. Chauncey Adams of Danville officiated. Mr. Tilden died several years ago. She leaves one son, Lewis, and a niece, Evelyn Wood, to mourn her loss. She was a woman of sterling qualities, a kind wife and mother, and neighbor, a home-maker in every sense. Interment was in the Massey cemetery beside her husband.

WALDEN.

(N. J. Kingsbury, Correspondent.)

Harvey Bean of West Fairlee has been visiting friends in town.

Mr. and Mrs. Ed Dow of East Hardwick visited at N. J. Kingsbury's Thursday.

Farmers here have about finished digging their potatoes and report an average yield by this report, and the other month estimated.

A careful reading of these facts show the important place the City Mission has in the life of the town, and the valuable service it renders.

This work is not apart from the churches; it is rather the expression of the purposes of the churches to work together in lines of activity that cannot be as well done separately.

We are fortunate in having in Mr. Marshall a superintendent whose earnestness, efficiency, and sound judgment have wrought such excellent results. In all this he has been most helpfully aided by Mrs. Marshall.

In May the work was transferred to the Y. M. C. A. building, which has given added facilities, and opened new possibilities of community usefulness. Conferences have been held between this committee, the town pastors and the trustees of the Y. M. C. A. property, and it is their united judgment that the building should be made useful in a larger variety of ways. They have therefore decided to offer the facilities of gymnasium, bowling alley, baths, and club-rooms for the use of boys and men, as there shall be demand. It is believed that the income from rented rooms and from the privileges of the building will go far towards meeting the expenses. But enlarged gifts will make possible an enlarged work.

The financial support of the Mission during the past year has been the largest since starting. The committee urge a prompt payment of pledges due in October, so that the new fiscal year may start without debt.

They are earnestly desirous that all pledges shall be renewed, and, if possible, the amounts increased, that the larger program suggested may be carried out as soon as the building is fully available. It is felt that there are many others of our citizens who should have a part in this united community service, and additional pledges from those who have not hitherto given are asked.

The report of the treasurer shows the finances for 11 months with a near estimate of the other month, and is as follows:

Received from contributions and pledges, \$1,014.20; received from miscellaneous sources, \$4.31; received from Supt. Marshall, \$25.00; received from loan, \$75.00; account overdrawn, \$1.13; total, \$1,119.64.

Deficit November 1, 1915, \$30.80; paid salary, Supt. Marshall to Oct. 1, 48 weeks, (including house rent and telephone), \$852.29; paid rent on Mission rooms March 1, 1915 to May 1, 1915, \$175.00; paid postage and sundries, \$23.87; paid printing and advertising, \$37.68; total, \$1,119.64.

Liabilities (to November 1st, end of fiscal year): Amount borrowed, \$75.00; overdraft, \$1.13; salary of Supt. Marshall to Nov. 1 (including house rent and telephone), \$71.75; on Mission room rent (May, 1915), \$12.50; E. H. Cowles, printing, \$12.55; total, \$172.93.

Assets: Pledges due on or before November 1st (estimated), \$170.00. DONALD MCGREGOR, Treasurer.

Among things of note in the superintendent's report is that 31 people publicly started in the christian life during the year. Many garments were given away where needed, much relief work done, and a large attendance is reported at the year's meetings held in the Mission room. The detailed report follows:

Cash on hand, \$102.60; collections, \$54.03; rummage sales, \$224.33; donations, \$39.15; returned from general fund, \$25.00; total, \$475.61.

Relief, \$336.98; team work, \$6.50; incidentals, \$3.00; paid out on Y. M. C. A. building, \$20.67; lumber, \$1.84; printing, \$11.31; paid to general fund, \$52.00; total, \$432.30. Cash on hand, \$43.31. Total, \$475.61.

Garments given away, 169; free beds, 25; calls made, 723; indoor meetings held, 176; attendance, 5418; out of door meetings, nine; attendance, 1475.

REPORTS OF CITY MISSION

Show 1915-1916 A Very Successful Year—Much Helpful Work Done Along Many Different Places

PRaise MR. MARSHALL

Transferring of Work to Y. M. C. A. Building Has Provided Additional Facilities for Carrying on Work—Financial Support Was Largest Ever.

The reports of the St. Johnsbury City Mission for 1915 and 1916 show a very successful year just completed, but plans are proposed for a larger service the coming year. Superintendent Marshall's report shows that much helpful work has been done during the year in many lines, while the treasurer's report of finances is most encouraging. The report of the executive committee, composed of: Z. S. Waterman, chairman; O. H. Henderson, Donald McGregor, Walter Roddick, Paul D. Moody, E. H. Cowles and C. L. Eaton, follows with many plans for the coming year's work.

The fiscal year of the Mission ends November 1st, 11 months of which are covered by this report, and the other month estimated.

USED IT ELEVEN YEARS.

There is one remedy that for many years has given relief from coughs, colds, croup and whooping cough. It is probably the best known family cough medicine in the world and because it contains no opiates is strongly recommended for children as well as adults. Mrs. Chas. Hietz, Allen Mills, Pa., writes: "I have used Foley's Honey and Tar for eleven years and I would not be without it." It promptly relieves hoarseness, tickling throat, bronchial coughs, inflamed and congested membranes
